

Stock Performance Graph

The graph set forth below compares the annual cumulative total return for the Company's five fiscal years ended March 1, 2009 among the Company, the New York Stock Exchange Market Index (the "NYSE Index") and a Morningstar, Inc. (formerly Hemsco, Inc.) index for electronic components and accessories manufacturers (the "Group Index") comprised of the Company and 221 other companies. The companies in the Group Index are classified in the same three-digit industry group in the Standard Industrial Classification Code system and are described as companies primarily engaged in the manufacture of electronic components and accessories. The returns of each company in the Group Index have been weighted according to the company's stock market capitalization. The graph has been prepared based on an assumed investment of \$100 on February 27, 2004 and the reinvestment of dividends (where applicable).
