► **RE: Perfluorooctane Sulfonates (PFOS)**

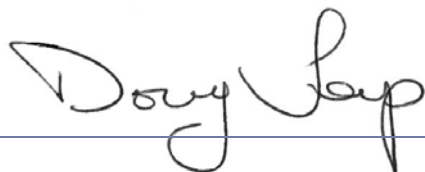

Dear Customer

The purpose of this letter is to respond to your request for information regarding the content of Perfluorooctane Sulfonates (PFOS) in the subjected Nelco® products. We can hereby certify that Perfluorooctane Sulfonates (PFOS) are not intentionally added during production nor would they be expected to be present in the final product. It is therefore reasonable to assume that our products comply with Amendment 30 of 76/769/EEC EU Marketing and Use Directive.

The products covered by this letter are N4000-##, N7000##, N5000##, N8000## and N9000## series prepreg and laminates.

The information is provided at the request of and without charge to our customers. Accordingly, Park Electrochemical Corp. cannot guarantee or warrant such information and assumes no liability for its use.

Sincerely

Director of Technology
